Distance-Based Pricing Governance:
Per official company pricing policy, journeys exceeding 90 road miles transition to our guaranteed mileage rate model:
Fare = Base Fare + (Chargeable Road Miles × Vehicle Per-Mile Rate) + Applicable Surcharges
Representative road mileage based on actual highway routing is utilized for standard fixed city guides.

7.5 Booking Conditions, Waiting Time & Service Policies

1. Meet & Greet Service:	Complimentary Meet & Greet is included as standard on all airport arrivals. The chauffeur enters the arrival hall with an official name board once the flight has landed.
2. Complimentary Waiting Time:	Airport pickups include 60 minutes of complimentary waiting time calculated from the confirmed aircraft touchdown time. Address, hotel, and office pickups include 15 minutes of complimentary waiting time. Extended waiting time is billed in 15-minute increments according to vehicle category.
3. Flight Delay Monitoring:	Our central dispatch team monitors commercial flights in real time. Pickup times are dynamically adjusted at no penalty to the client in the event of airline delays or early arrivals.
4. Return Journey Discount:	Round-trip / return bookings automatically receive an official 5% discount applied across the return journey portion when booked together.
5. Airport Barrier Fees & Tolls:	Standard official airport drop-off and pickup barrier parking fees are included within quoted rates. Exceptional ferry, bridge, or toll charges outside standard highway corridors are advised upon booking.
6. Luggage & Seating Safety:	Passengers must not exceed the certified passenger seating and luggage volume limits indicated for each vehicle class. Drivers are legally prohibited from transporting unsecured luggage on passenger seats.
7. 15-Minute Price Guarantee:	Instant web quotations generated through the official J Transport booking engine are locked and guaranteed for 15 minutes, allowing passengers to finalize reservation details without price fluctuation.
8. Licensing & Insurance:	J TRANSPORT GROUP LTD is fully licensed by Transport for London (TfL Operator Licence: 01103601). All vehicles are inspected, and all chauffeurs undergo rigorous enhanced DBS checks, medical fitness assessments, and topographical testing.
